

Product reference number: 0000SE3628U

Description

PRISMA GREY PLASTIC BUCKET 28L,2
HANDLES,1 BASKET+ 3 COMPART.,2
RECTANG.,WHEELS,WC BRUSH

Product Datasheet

Prisma 28 Ltrs grey bucket with double handle, wheels, one plastic basket with 3 compartments, two rectangular baskets and one wc brush

Applications

It is a cleaning system used in small and narrow environments such as bungalows, public bathrooms and means of transport

Features

- * It is handy, ergonomic, compact, functional, strong and made of top quality plastic materials
- * It is equipped with a double handle to transport the bucket easily along the narrow side aisles, which are typical in the public means of transport
- * The double handle has a specific inside place for the mop handle
- * It is equipped with 4 compartments, one of which is specific for the WC cleaning
- * It can be used for the floor mopping cleaning using the plastic sieve ref. 21005U, or for the wet mopping with pre-soaked microfiber mops using the mop frame ref. 5390U and relatives mop heads
